

# Artemia PRO

FEED FOR SHRIMP

Artemia PRO is an excellent, nutritionally high, feed supplement covering the shrimps' entire lifespan. Artemia PRO is exclusively composed of Artemia cysts.

The extracted ingredient is processed with the most modern techniques guaranteeing total preservation of the unique nutritional qualities of the Artemia cyst. Artemia PRO is a complete substitute for Artemia, providing the same nutritional value, growth and survival rate. It comes as a biosecure fine pelleted powder, giving a predictable supply chain, ease of handling, and clean tanks. Using Artemia PRO allows for a bypass of the issues related to controlling Vibrios on site, good for both animal welfare and business.

Artemia PRO is the perfect natural food for shrimp larvae and post-larvae, offering the best of nature.
